

# Mission of Mary Mother of Priests

*Pray and act for priests and seminarians*

===== [mariemeredespretres.org/en/](http://mariemeredespretres.org/en/) =====

**O blessed Virgin Mary,  
help me to care for priests as you care for them.**

**Grant me the heart of a child, living in the breath of the Holy Spirit, ever wondering at the grace of priesthood.**

**Only God can see into our hearts, His Wisdom leading His Church: keep me from aggrieving Jesus by criticizing a priest.**

**Teach me how to listen to your Word  
and let me be filled with your merciful love.**

**If so you wish, use me to instill into others the desire to pray for our priests and seminarians and fully support them.**

**Blessed Mary Virgin,  
take me with you to the foot of the Cross, so that I can offer Jesus to our Father and join in His Son's Sacrifice.  
Let the grace of Death and Resurrection flow onto our priests when I receive communion for them.**

**Jesus left John in your blessed care,  
Let priests become more closely bound to you, their Mother.  
May they be ever more bound to your Immaculate Heart  
So they may lead us all to everlasting Joy.**

**O blessed Virgin Mary, I commit my soul to you.**

**Amen**
